Theatre Patrons Importuned as was not lured to the tenement, but street, was able to tell to-day that he went there to collect money from one of his customers. He believes that he was followed to the house from his Usual, but Mostly from

the Shadows.

The test case of the ticket speculators Forous, of the new law which prohibits them had \$14 in money, a diamond scarf pin from selling tickets on the sidewalks valued at \$65 and a \$1 watch. The highin front of theatres will be fought out waymen got all this. The peddler had before Justice Newberger in the Su-preme Court to-morrow. Meantime, dola, who lives on the third floor of the John B. Lange, the "victim," who was Pifteenth street house. He had not arrested in front of the Metropolitan seen the men, who had probably folcustody of his lawyer, Louis Marshall. Lange had been in Jefferson Market Prison and applied for a writ of habeas corpus, which was granted last night and made returnable to-day. On consent of counsel, however, the argument

was adjourned. Lange, in his petition for the writ, emplained that the new law is void, because it is unreasonable, oppressive and in contravention of a common right." He added that it is unconstitutionel and "in excess of the powers of the municipal authorities of the city of New York."

Speculators Backing Lange. The New York Tinket Speculators' Association is backing Lange in his fight with a fund of \$5,000, it is said. Whatever the outcome of the case to-morrow importance of having their mostrils kept free of disease and obstruction. I have it is the intention to appeal to the highcourts and have the question settled developed a method of freeing the nos-

Lange has sold tickets in front of the away with the necessity of cutting away Metropolitan Opera House for fifteen the bones of the nose. I applied my years.

Though the police were instructed to champion pugilist, on his return from rigidly enforce The Evening World or- Europe, and opened his closed nostrils dinance against skiewalk ticket speculators which became effective yesterday every opportunity was afforded to buy tickets of the speculators at the principal theatres in the city last night. At the Winter Garden, the chief Monday night opening, the speculators were particularly active and though an entrance ticket could not be purchased at nostrils are not kept open and free of the box office no one who wanted to disease the air you breathe is not

see the show and had the price was turned away.

At 10.00 o'clock an Evening World reporter was offered tickets by two speculators who were plying their trade in some germs of Tubercutosis, which you found the many the many trades in the longs of t front of the main entrance to the new facatre. All during the evening specu-lators were active around dark corners the sort and the sort of the fact that haif a dozen police, including an inpacetor and Deputy Commissioner Driscoll were on guard to see that the Driscoll were on guard to see that the law was obeyed.

Traded in the Shadows.

Speculators working on the six sold seats at from \$10 to \$15. There was no open hawking of seats as was the cistom beforethe law went into effect, but a man with the price had no trouble if he was willing to follow a speciment CAUSE SHORT BREATH

eretiveness was abandoned. The speculators who had admission tickets for They made no flourish of tica as in their hand, but walked quietly up to the man who looked as though he wanted to see the show and quietly effected an armission ticket for sale. Only one to be the show and quietly effected an armission ticket for sale. Only one to be the sale and that is slowly with his mouth was produced at a time and that was done so that the police who were sta-

tioned about could not see the offer. One of these 52 admission tickers was purchased by an Evening World reporter in front of the melli entrance to the Garden. The head of one of the leading hotel ticket agencies purchased I have made a discovery in the treatone a few minutes later.

Just inside the lobby the reporter a consider an important one. elde the theatre was Deputy Commisstoner Driscolf.

Walsh Saw No Violations. Waish Saw No Violations.

"Have any speculators been stalling the distant have often forced it takes around have to-night?" Inspect further up into the sar. or Walsh was asked.

"Not one," was the reply.

Blaw and Lang did a fair business ment is will be recall in the care that they lest money on the sale, it is known that this firm of speculators has contracted for 48.000 worth of Metvorollian tokets for this senson.

At many of the tending theatres the public benefited by The Evening World ordinance. One of the most popular of the new attractions in "The Pint Lail the new attractions in "The Pint Lail the new attractions in The Pint Lail the new attractions in The Pint Lail the new attractions in the public benefited by The Evening World or the new attractions in The Pint Lail the new attractions in the public benefited by The Evening World or the new attractions in the public benefit to be a fair to the new attractions in the new attractions in the public benefit to be a fair to the new attraction in the new attractions in the new attractions in the new attractions in the new attractions in the new attraction to be new attractions in the new attraction in the new attraction to the new attractions in the new attractions in the new attractions in the new attraction to the new attractions in the new attraction to the new attractions in the new attraction to the

the new attractions in The Pick Lab at the New Amsterdam Theatre. He five last night the only way to hay takes to that show was from a specific that the box office as late as 8.50 to 32 We still be New York.

For some time the theatre-going public has wondered at the fact that at 120 o'clock every evening an electric sign which read 'All scats sold' was boing in front of the Broadway Theatre.

Last night this sign was missing, and people who cared to see his sine wind at 150 and 150 trouble in setting tinkets at the

no trouble in getting tickets at the box office.

One speculator who had Broadway Theat's dickets for sale rented space it an adjoining inheciasiony and lured its patrons there. Some in clear stores and small shows all along Broadway is now at a premium, and the speculators are organized to conduct their business indoors, evading the law.
